Manager Carpenter of the Western Union telegraph office has three operators helping him and then is one of the business men in the city. He states that only one line is open and that he is several hours late on all

Telephone operators are working over time in the local exchange. It is said that the operator at Brevard reports 150 calls in for Hendersonville since the flood.

The Postal Telegraph is another one of theb usiest places in the city. ing to the rush of messages.

PAID ANNA PAYLOWA MORE THAN A DOLLAR A SECOND.

For Every Tick of the Watch, She Received \$1.11, Which Amounted to \$55,000 in Cash.

When Billie Burke signed her contract to appear in motion pictures, she for Pavlowa and she was very exact was engaged and paid a definite sum and punctual. If a certain time was per week while the pictures were being set for to be at San Souci park to made; Mary Pickford draws down the work for three hours, she would be princely sum of \$2.500 per week; Blanche Ring was paid a certain amount for one picture; Anna Held track of every minute and second she will receive \$25,000 for a number of worked for the Universal. It was his Lictures; Geraldine Farrar, according duties to find out at just what time lars per minute for her appearance in she could leave. Everything went by "Carmen" but when Anna Pavlowa the hands of a watch, and it was not signed a contract with the Universal Film Manufacturing Company, it was little realized that she was paid not only the highest price ever paid a person to appear in motion pictures before, but established a record that lowa.

would stand for a long time to come. the Universal for "The Dumb Girl of her "Portici" watch. One day when Portici" she demanded, and received, | she arrived at the theatre and was get-\$50,000 in cash, paid her before the ing ready to work in the photoplay she Better in Asheville completion of the picture, and also retained a half interest in the pictures. Now that all other concerns have press-agented the fact that their stars inch of the dressing room and attendwere drawing fabulous prices, the gers may finally get here some time Universal comes out with real fact and Regular trains will not be operated tonight in the many machines which figures so plain that even a grammar into Asheville on all divisions except were sent from the city today for that school child can figure it out for her-

Pavlowa would not allow the Publicity Department to hint even, that she was receiving 30 much per day, hour or minute, as that had become the popular pastime of press agents with little else to do. But when it was pointed to her that the price she received a second would show the immense value of her services, she con-

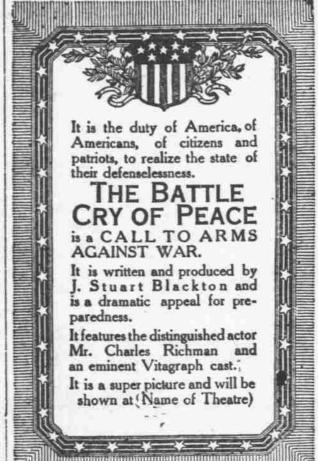

There is probably not another star in the world who is as alert for moneymaking possibilities as the great Pavlo-She has a manager who attends to all minor details of her business, but when it is a question of dollars and cents she attends to that herself. With the \$50,000 which she received from the Universal she purchased a half interest in the Boston Opera Com-

At the time she signed for her appearance in 'The Dumb Girl of Portici" Pavlowa was playing at the Midproduction of this picture which cost the company over \$20,000 and it was so situated adjoining the Midway ar-

dens that Pavlowa could step from her beudoir dressing room in the theatre, through the stage door, walk twenty paces and be inside the Universal studio in the park.

She was working in the daytime for the Universal and rehearsing her ballets and playing at the Midway Gardens at night. It was a very busy time on the dot and would leave on dot. She had her own timekeeper who kept an Ingersoll. Her time was measured by seconds and here we have the original watch, the property of Anna Pavlowa, which ticked off the seconds when every tick meant \$1.11 to Pav-

Pavlowa purchased this stop watch When Anna Pavlowa was signed by purposely for this occasion and calls it sought the watch to give her timekeeper, but the watch could not be found. Her six maids searched every ants looked all around the stage. Finally her manager went to her suite at
